

C. of C. Directors Write Kermer On Park

Henry D. Karandjoff, chairman of the Horseshoe Lake Commission, urged the Tri-Cities Chamber of Commerce board of directors Tuesday night at their monthly dinner meeting to write Gov. Otto Kermer and encourage him to sign the \$3.5 million bill for the purchase and development of the lake area for use as a state park.

Karandjoff also asked area citizens to write, wire or phone the governor and urge signing of the bill. C. of C. support was pledged.

Special reports also were given by C. L. Townsend and Donald W. Partney. Townsend reported on the Bi-State Development Agency's Metropolitan Area Transit program and Partney explained the proposed new city plan commission.

Townsend, chairman of the industrial development committee, also reported that Dr. Mary Megge is making progress in assembling data on resources and facilities of the area, necessary for his committee to give to industries interested in locating here.

G. W. Hoelscher, chairman of the state legislative committee reviewed the recent session at Springfield and described about 40 bills that were passed or defeated that pertained to this area. He also reported on master sewerage and drainage plans and pollution abatement. He asked members to write Gov. Kermer urging him to sign the bill to increase temporarily the bonding power of the levee district.

In other business, President Paul H. Lichtenberger appointed a five-man nominating committee to select 18 director candidates to run for a three-year term in September. Nine will be elected. Chairman is Maurice Dailey, who will be aided by William Brockus, Arthur Baente, G. W. Hoelscher and Leonard Flesham.

Lichtenberger also recommended a small industry committee be established to aid such businesses. He reported the Internal Revenue Service was to close its local office and a resolution was passed instructing him to write Congressman Melvin Price protesting the move.

It was announced that the Tri-City Printing Co. has made available complimentary city sales tax schedules for the new 4% figure. Any merchant may obtain schedules at the printing or C. of C. offices.

GC Man, 37, Dies On Way To Golf Course

Robert L. Karger, 37, of 128 Briarcliff, was stricken with an apparent heart attack about 8:30 a.m. Tuesday while enroute to play golf and was pronounced dead on arrival at St. Elizabeth Hospital.

Deputy Coroner Henry Pieper, who is scheduling an inquest, said Karger, a crane operator at Granite City Steel Co., was a passenger in a car driven by a Ray Hoelter, 2220 Lee avenue. He suffered a slight attack while they were in Madison to pick up other members of the foursome.

Recovering sufficiently, Karger urged the driver to continue on to Collinsville, but they were still in Madison when he suffered a second attack and died as his companions were rushing him to the hospital here. They were planning to go to the Collinsville lake.

Karger, a native of Columbia, Ill., spent most of his life in Collinsville before moving here in 1947. He worked at the local steel mill about 15 years. He was a world war II Marine Corps veteran with overseas duty.

Surviving are his wife, Eileen; a stepson, Gary Rless, both of Granite City, and a sister, Mrs. Bertha Weible of Huntsville, Ala. Funeral services were conducted this morning at a Granite City funeral home. Further information is given in today's obituary column.

Venice Lions Working On Shelter In Park

Henry McMullen, president, was in charge of the business session of the Venice Lions Club dinner meeting Monday at the American Legion home.

Work on a new shelter in Lee Park, carried out over the weekend by 20 club members, will be resumed on July 23, it was announced.

Members discussed the annual barbecue to be held in September and a forthcoming calendar sale. Tickets for the July 30 boat excursion are to be turned in at the next meeting.

Madison Woman Burned As Gasoline Ignites

Mrs. William Crnkovich, 46, of 1802 Market street, Madison, was burned on the face, arms and legs Monday evening when gasoline she was using to clean a tile floor in the basement of her home ignited. She was given emergency treatment at St. Elizabeth Hospital.

Madison firemen answered the call at 7:10 p.m. The blaze was confined to the basement, and only the furnishings were damaged. No estimate of the amount of damage was available.

Madison Fire Chief Edward J. Miller issued a warning to homeowners against using gasoline for cleaning under any circumstances. "Gasoline fumes are easily touched off by the slightest flame or spark," he said, "and we cannot over-stress the danger."

Whorton Released In Shooting Investigation

A coroner's jury last night returned a verdict of homicide in an inquest into the death of Ely Moore, 59-year-old Eagle Park resident who died of a gunshot wound in the head last Thursday night, but recommended that Jesse Whorton not be held for grand jury action. The fatal shooting occurred after Moore had fired five shots with a pistol.

Whorton, 69, also of Eagle Park Acres, has admitted striking Moore with the barrel of a 12 gauge shotgun, but said the gun discharged accidentally. Whorton was arrested by Madison county authorities on a charge of manslaughter, which has been dropped.

Think before you speak, and you'll have no trouble to speak of.

location of this temporary office will be determined later.

Quadrants also will have toll-free telephone service to the East St. Louis office, 420 St. Louis avenue, the IRS director pointed out. The Alton office is at 7 Albany street.

Requests for tax forms from large users are being filled by return mail from the Springfield

district headquarters. Philpott said, and smaller users may obtain the forms by mail or telephone requests to East St. Louis or Alton, as well as Springfield. Other supplies will be made available locally.

IRS offices are being realigned in many districts to "improve administration of the federal tax laws, both in internal organization and in field operations," the director explained.

Runs Through Red Light

Melvin W. Young, 42, St. Louis, was arrested last night by Granite City police for running a red light at 23rd street and Madison avenue. He posted \$31 cash bail.

Nothing's Too Big Or Little For GC Police

From an elephant to a crippled squirrel. That's what Granite City police have been searching for this week. On Monday they conducted an elephant hunt and found their game on Highway 162 near the Horseshoe Lake road.

Last night the police department received a call that a crippled squirrel was in the 2500 block of Edison avenue. This time, however, the police were unable to make a catch.

Other Groups Aided In Buying Uniforms

Thomas Smith, president of the Mitchell Kiwanis, said this week that purchase of 96 Khoray League baseball uniforms, plus equipment for eight teams, reported last month, should be attributed to other organizations in addition to the Kiwanis.

He said the Democrat Club and Athletic Club, both of Mitchell, and individual businessmen, also donated uniforms. Ten members attended the Monday session at Smith Cafe, presided over by Smith, but no new business was discussed.

Today a travel folder is referred to as a sort of trip-tease.

Corey, 52, of 205 Lennox avenue. Use of artificial respiration and resuscitators failed to revive him. He was pronounced dead on arrival at St. Elizabeth Hospital.

Coroner's Inquest Tonight

A coroner's inquest has been called for 6:30 tonight by Deputy Coroner Henry Fiebert. Deputy Thompson said the youth's statement would be turned over to Sheriff George Musas but that he did not know what action would be taken.

Deputy Thompson said he obtained the statement about 11:30 a. m. yesterday after Deputy Fire Marshal Marvin Tedder asked for his assistance.

Stockholders Elect Beale as President

Stockholders of Junior
Achievement of the Mississippi
Valley, Inc., elected C. F. Beale
president during an annual meet-
ing held yesterday in the audi-
torium of the Freund Baking Co.
St. Louis.

Mr. Beale, vice-president of
the Security Mutual Bank &
Trust Co., succeeded Wayne Lat-
ens as JA president. Hermann
F. Spoehrer was re-elected to his
second term as chairman of the
board of directors.

Each of the 93 business firms
which counsel student Junior
Achievement firms in the Missis-
sippi Valley area, including those
in Granite City and Madison, act
as stockholders in the non-profit
JA corporation.

Nicholas P. Veeder, chairman
of the board and president of
Granite City Steel Co., was one
of six vice-presidents named by
the stockholders. Others were:

Robert Heineman, John Mitchell,
A. H. Burgess, Harold Thayer,
and Russell Casteel.

In addition to the election of
directors and officers for 1961-62,
stockholders reviewed the past
year in the fields of fund-raising,
publicity, sponsorship, scholar-
ships and industry awards, and
discussed plans for the coming
year.

Junior Achievement is a busi-
ness education program designed
to enable teenagers, including
those at the Granite City JA
center, to experience first hand
the American free enterprise
system by owning and operating
miniature companies.

During the year just completed,
5000 teenagers participated in
167 JA company activities, and
were advised by 93 business
firms.

\$14,300 Settlements In Auto Injury Suits

Four verdicts, all in favor of
two plaintiffs in auto accident
injury suits, were signed by a
city court jury July 10. In today's
after parties involved had agreed
to out-of-court settlements, the
office of the clerk of the city court
reported.

The settlements were in the
amount of \$14,300, of which \$13,
500 went to plaintiff James Du-
gan, a minor. Plaintiff Joseph
Holder, also a minor, received
settlement of \$800. The two sepa-
rate cases were combined for
trial.

Defendants in the cases were
Harry Smith, a minor, and Wil-
liam Voucher. The plaintiffs al-
leged they sustained permanent
and serious physical injuries as
the result of an auto accident,
July 9, 1960.

They were passengers in an
auto operated by Smith, which
was proceeding in an easterly di-
rection along U. S. Bypass 40-
00 near Sand Prairie lane, and al-
leged that when Smith attempt-
ed to make a left turn into Sand
Prairie lane his auto collided with
one driven by Voucher, re-
sulting in the injuries.

Since the parties involved in
the lawsuits were minors, the
jury was required to sign ver-
dicts City Court Judge Fred P.
Schuman presided. The cases
were the only ones heard during
the one-week city court jury ses-
sion.

Holder had asked damages
totaling \$40,000 against the two
defendants, while Dugan had asked
a total of \$60,000.

6 Persons Hurt

(Continued from Page 1)

Monday at 5:30 p. m. when the
car in which she was riding col-
lided with another auto at the
intersection of Highway 67A and
Oleander road, a quarter of a
mile south of the Hartford Canal
bridge. She was admitted to St.
Elizabeth Hospital here.

Mrs. Wyatt was the only per-
son injured in the accident. Her

husband, Irving, was driving the
car. Driver of the second auto
was Phillip Reno, 19, of Jersey
ville.

State police reported that both
cars were traveling north, with
the Wyatt auto in front. When
Wyatt slowed to turn left onto
Oleander road, his auto was
struck by the Reno car.

Collides With Parked Car
Miss Helen K. Halbe, 33, of
3157 Willow avenue, was taken
to St. Elizabeth Hospital early
Tuesday morning for x-rays of
her left knee and leg following
an auto accident at the intersec-
tion of Glen drive and Ash ave-
nue about 12:40 a. m.

Granite City police said that
Miss Halbe was sitting in her
parked car when another vehicle

driven by Ida Mae Heupel, 30,
St. Louis, was headed south on
the wrong side of Ash and
struck the Halbe auto that was
parked facing north on Ash.

The Heupel woman was ar-
rested for driving on the wrong
side of the street and was re-
leased on \$11 cash bail. After
the x-rays were taken at the
hospital, Miss Halbe was re-
leased.

Speeding Arrest

Inez H. Ford, 20, of 3005 John-
son road, was arrested by Gran-
ite City police about 2:40 p. m.
yesterday on a charge of speed-
ing at Nameoki and Johnson
roads. She left her driver's li-
cense as bond.

Woehler Calls Back 60 To Complete Orders

The Woehler Corp., 1100 Niede-
rgraben avenue, that announced
July 3 that it would close its
Granite City plant permanently
this month, has called back 60
employees and started a second
shift today to finish up produc-
tion.

John Dulany, plant manager,

said the number of people em-
ployed at the plant is now be-
tween 125 and 130 and that be-
cause of the cold and wet spring
and summer the firm's season
had been extended past the nor-
mal July 4 cutoff date. He in-
dicated that a small influx of
orders had necessitated the call-
ing back of the workers to man-
ufacture the aluminum lawn
furniture.

Madison Requests \$45,000 MFT Funds For Street Work

The Madison city council Tuesday passed resolution to allocate more than \$45,000 in motor fuel tax funds from the state for three arterial street projects.

An allotment of \$27,000 is being asked for combining curbs, catch basins and necessary excavations and grading on both sides of the street for Collinsville avenue from Washington avenue to McCambridge avenue; Alton avenue, from Collinsville to Market street; and along Highland avenue, from Collinsville to Market.

The council is seeking \$10,000 for a similar project in West Madison, from the west corporation line on Madison street to a point in an alley. New curbs and gutters are to be installed on one side and an oil surface is to be applied to the street.

For the Madison avenue widening project, \$4080 is being requested as the city's share in relocating light standards, and \$4945 for engineering fees. Cost of moving the light standards was shared equally by the city and Illinois Power Co., Mayor Stephen Maerz pointed out.

In other action, a report submitted by City Comptroller E. J. Miller was read, showing that collections during the May 1 to July 31 period totaled \$6929. An amount \$2433 was received from retail liquor licenses; \$1571 from business licenses; \$33 for dog licenses; \$1133 police magistrate fines; \$91, police fines; \$100, franchise fees; \$30, miscellaneous; \$144, insurance premiums; \$20, building permits; \$21, plumbing permits; \$70, refund on tires from city vehicles; and \$62, spraying fees.

The council received a letter from the Madison First Aid Club, thanking the city for providing supplies for a civil defense class.

Third Ward Alderman Ray Kozielski reported that he had today made an inspection of the newly-constructed dog pound and said the building "very satisfactory for needs of both Madison and Venice."

Mayor Maerz commented that he and Dr. John E. Lee, Venice mayor, would set up a conference soon to discuss the share of the two municipalities. Construction cost was more than \$11,000.

Maerz explained that Madison will pay 56% of the cost of construction, operation, and maintenance, constructing a new roadway to the shelter, with Venice paying about 44%.

The cost ratio will be based on the 1960 census on a per capita rating.

E. J. Miller, city comptroller and fire chief, acted as city clerk for the meeting. In the absence of vacationing City Clerk Percy Lux.

Poker Found In Canal, Is Murder Weapon

A yard-long poker, fished out of the Chain of Rocks canal Tuesday morning with a grappling hook, has been identified as the weapon which was apparently used in the June 8 hold-up murder of Martin Drenovac.

Olin LeCompte, commercial diver from East St. Louis, found the poker under the canal bridge while he was showing his son some of his techniques, county authorities said.

The poker was identified by Sam Drenovac, son of the murdered man, and James Freeman, who had worked at Drenovac's Twin Oaks service station. They said the poker, about one inch thick with a looped grip end, was kept behind a stove and used to break clinkers.

LeCompte told police he and his son, Robert, arrived at the canal prepared to dive for the weapon. A fisherman took them across the canal in a flat boat while LeCompte manipulated the grappling hook.

"It felt something scratching on the hooks and when I pulled it up the poker was on the hooks," LeCompte said. He paid the fisherman \$2 for his services.

The weapon is believed to be the one which admitted cross-country slayers George Ronald York, 18, Jacksonville, Fla., and James Douglas Latham, 19, Mauriceville, Tex., used in the slaying of Mr. Drenovac, 68. The pair is in custody in Kansas.

Earlier, volunteer scuba divers had staged an unsuccessful search of a section of the canal, and last Friday a piece of aluminum tubing at first believed to be the murder weapon was recovered but could not be identified.

Deputy Sheriff William Thompson said the poker is temporarily in the custody of Sheriff George Musso.

Madison Rotarians Seek Flagstaff Receptacles

Madison Rotarians assigned a committee to meet with Madison Mayor Maerz to determine if flagstaff receptacles can be placed in new concrete sidewalks to be installed along Madison avenue.

The club decided during yesterday's unanimous meeting to request the flagstaff holes be placed 75 to 100 feet apart. Newly-installed president, Fred Schmidt, presided at his first meeting, attended by 25 members, who voted to write to Governor Kerner asking him to sign the Horseshoe Lake state park appropriation bill.

Briefs Ordered In Obscene Literature Test Case Here

Briefs are to be filed Sept. 15 with Justice of the Peace Harry Hartman in the test case involving the Granite City ordinance dealing with the knowingly selling of indecent or obscene literature to a minor. A hearing was held Tuesday afternoon in Hartman's court.

The defendant is Verli B. Pitchford, who is charged with selling such literature to a nine-year-old boy at the Ruppel's Confectionery last Jan. 7. Pitchford was represented by Atty. Austin Lewis while the city ordinance warrant was signed by William Beatty, city attorney. Pitchford had pleaded innocent at an earlier hearing.

Originally scheduled for Jan. 26, the hearing was held Tuesday after Lewis had filed for a change in venue July 8 from police magistrate court.

Challenges Constitutionality. Lewis started the proceedings by challenging the constitutionality of the ordinance saying that it was not published within the prescribed 10 days after its passage. He also stressed its insufficiency for lack of title. Beatty said it was published on March 24, 17 days after it had been passed by the city council.

Beatty argued that the 10-day period was a directive and not mandatory. Lewis maintained that the word "shall" is mandatory.

YMCA's Area Air Tour Scheduled On Sunday

As a special feature of its summer recreation program for youngsters and adults, the local YMCA will sponsor a jet prop airplane tour of the metropolitan St. Louis area Sunday afternoon, Jim Reinhardt of the YMCA Youth department said.

The cost of the 40-minute air tour is \$4 per individual. Interested persons may register with the YMCA Youth department by noon Saturday. Reinhardt said. "Transportation from Lambert Field, St. Louis, is included in the \$4 charge. A bus will leave the YMCA bound for the airport at 2 p.m. Sunday."

Reinhardt said the tour, arranged through a commercial airline serving St. Louis, will encompass all of the metropolitan area, and that the flight will pass over Granite City.

Speeding Charge

Virgil R. Nickles, 17, of Collinsville was arrested Tuesday afternoon by Granite City police at Washington avenue and Nameoki road on a charge of speeding. He posted his driver's license as bond.

Miss Mueller In Doubles, Singles Finals At Munster

Miss Mueller, 16-year-old Granite City tennis player, battles for first place trophies in two events at the Muny Class A Tennis Tournament in St. Louis this afternoon.

At 1 p.m. she was scheduled to take to the Jefferson Memorial courts with Patty Mersinger as the pair sought the girls' 18 doubles title against Nancy McLane and Nancy Wilson.

Then at 2:30 she was up against Miss Mersinger in the finals of the girls' 18 singles competition.

Miss Mueller won her quarter-finals singles match from Anita Foxworth Tuesday, 10-1, then beat Pamela Foxworth yesterday 12-2 to gain the championship bracket.

In the doubles semifinals yesterday she and Miss Mersinger topped Margaret Kriehauser and Cathy Doyle 12-2.

Rusty Toburen of Granite City and Tom Weinstock of Alton defeated yesterday afternoon in the girls' 15 doubles semifinals by

Beardsley-Chambers Duel Will Continue At Cycle Scrambles

Bill Beardsley of East St. Louis and Carl Chambers of Roxana are expected to continue their "heavyweight" duel tomorrow night at the Tri-City Speedway, where the Twin Mill Motorcycle Club will host another evening of motorcycle scrambles.

Beardsley and Chambers staged a tight battle in the feature race for 500-cu motors last week before Beardsley moved ahead on the last lap to capture the race card finale. Both riders are expected back tomorrow evening.

Also on the card will be heat and feature races in the light-weight 150-cu class and the 250 class.

"Hot-lapping," or practice runs, will be held from 6:45 to 7:45 p.m. The racing program is scheduled to begin shortly thereafter.

Spaulding Takes 2nd Feature

With Spaulding of Madison captured a special 50-lap feature race for super-modified stock cars Tuesday night to climax a 10-race card at the Tri-City Speedway.

It was Spaulding's second feature win in a month at the track. Dave Hollis of Granite City was second, the same position he occupied when Spaulding won the feature on June 27.

Art Pauley piloted his car to a win in the feature race for amateur drivers, while Al King was the victor in a special handicap event for the six fastest qualifying cars. Bill Minks had the fastest qualifying lap of the evening.

Spaulding, Jay Mulligan and Minks turned in victories in modified heat races, fender-bender heat winners were Paul Pursley and Bud Pauley, and an amateur preliminary race winners were Art Pauley and Paul Thompson.

Next Tuesday the track management will sponsor a special "destruction" race, with the six fastest qualifiers in the modified class climbing into Jeeps.

Melton's No-Hitter Lifts Moose To First Place Tie In Class B League

Moose Club 272 rode the no-hit pitching of Neal Melton into a first place tie in the Granite City park district Class B Softball league Tuesday night.

Melton baffled Spengler Insurance batters and the Moose came up with five hits for a 4-0 victory and a share of first place with Spengler. Both clubs are 5-1.

Evans Mank started for Spengler and was the loser. He was touched for three runs in the fourth. Ray Hoffman, who relieved in the sixth, gave up the final Moose tally in the seventh.

Melton was backed up by a perfect Moose game afield. Spengler committed two miscues. Rich Briggs was behind the plate for the Moose. Walt Wilson for Spengler.

Club Delmar Wins
In the first game of a Class B twin-bill at Wilson Park Club Delmar pulled an upset of sorts by topping the Granite City Steel Credit Union 5-4 despite being

outhit by the losers.

The Granite City Credit Union into a three-way tie for third place with Club Delmar and the Modern Exterminators 1-a-m, which was idle.

Delmar overcame a 3-2 Credit Union lead by scoring three times in the third. The Credit Union added a lone run in the fifth and Club Delmar matched it in the sixth.

Jack Kilpatrick was the winning pitcher. Jim Ray wore the equipment for Club Delmar. Fred Cavins was charged with the loss, while George Cook was the Credit Union catcher. Jackson homered for the losers.

The Class B standings:
Team W L GB
Moose Club 272 5 1
Spengler Insurance 3 1
Club Delmar 3 3
GCSC Credit Union 3 3
Modern Exterminators 3 3
Gratifiers 2 4
Modern Furnace 2 4
Knights of Columbus 1 5 4

Yates Named GC School Athletic Director

Beginning in the fall, Richard Yates, 2808 Fortune drive, will fill the position of director of athletics at the Granite City Junior and senior high schools left vacant since 1955.

A graduate of the high school and the present manager of athletics there, Yates was appointed to the position at the board of education meeting Tuesday night. He will be the first athletic director since Ira Scott, who had served as director for two years, left for another position.

The official title for the position is "supervisor of physical and health education and athletics." Yates will receive \$8500 per year, which is his teacher's salary plus \$1200.

He will coordinate all boys' programs on the junior and high school level, including health, safety and intramural programs and the schools' athletic schedules.

43 Weeks Work
The position will run 43 weeks during the first year, with possible reduction to 42 or 41 in following years. This year it will begin Aug. 7, about two weeks before other coaches return, and run until a week or two after school ends in June.

Before the school year begins Yates will present a report to the board outlining the organization, changes and responsibilities involved in the new position.

The 40-year-old father of two children is a former principal of two Illinois high schools and has 18 years of teaching and administrative experience. He received a bachelor's degree in physical education from Illinois College, Jacksonville, in 1943, and three years later received a master's degree in education administration from the University of Illinois.

He has been at Granite City high school since 1953, serving as physical education teacher, football coach, director of intramural athletics and manager of athletics.

After three years in the Navy, he was physical education, Spanish and social studies teacher.

RICHARD YATES, newly appointed supervisor of athletics, physical and health education at Granite City junior and senior high schools.

and baseball, basketball and track coach at Rankin, Ill., high school for one year. Then he handled the same subjects and sports for a year at the Leroy, Ill., high school.

From 1948 to 1952 he served as principal of the high school at Waynesville, Ill. For three years following he was principal and taught social studies at McLean, Ill., high school.

Yates, who vied for the position with 23 other applicants, is a former member of the Daybreak Optimists, a present member of the board of directors of Paddlers, Inc., a committeeman for Boy Scout Troop 98 and a member of Triple Lodge 835, A, F, and A. M.

Become Parents Of Daughter

Sheryl Kay is the name selected by Mr. and Mrs. Thomas Williams, 3200 Dodge avenue, for their first child born Sunday at St. Elizabeth Hospital weighing seven pounds, nine ounces.

Mrs. Williams is the former Gale Gordon, a daughter of Mr. and Mrs. David Gordon of Lampe, Mo., formerly of this city. The paternal grandparents are Mr. and Mrs. Harold Williams of Granite City.

Son Born To Mr. And Mrs. Herbert Camren

Mr. and Mrs. Herbert Camren, 2263 Benton street, are announcing the birth of a son Tuesday at St. Elizabeth Hospital. The infant weighed seven pounds eight ounces and has been named Randall Herbert.

The Camrens have another son, Timothy, five years old, and a daughter Beverly, two. The father is a teller at First Granite City National Bank.

Young Granite Cityans Remembered On Okinawa

Even though many thousands of miles away on an island just 12 miles wide and 75 miles long, two young Granite Cityans have not forgotten their friends and classmates here.

Nor have their friends and classmates forgotten Elaine and Marty Huffman, whose father, Sgt. W. Huffman, is on a tour of duty at Kadena Air Force Base, Okinawa. Mrs. Huffman and the girls joined him there in April before that living with his parents.

Since leaving Granite City, the Huffman children have received more than 60 letters from friends at home. The youngsters have asked the Press-Record to come to their aid in a letter to the editor.

"My sister and I would like to answer some of the questions asked in these letters," Marty writes, "but because we don't have all the return addresses, we cannot write all our friends."

Marty, 12, was a sixth grade student at Niedringhaus School, and eight-year-old Elaine was a third grader there. It is from their classes that most of the mail has come. Their teachers were Mrs. Gladys Stewart and Mrs. Laurine Reiske.

"Most of the Okinawans are very friendly," Marty writes. "The average Okinawan man is five feet, three inches tall, and the average woman is five feet. Our schools are very modern, and we have all American teachers."

Among the things the Huffman children miss most on Okinawa are the soft ice cream stands so plentiful in the States. On the island the only similar treat is a "custard cup" and they can get these only on the air base.

"Last week we were lucky," Marty says in the letter. "My father had a flat tire right in front of a stand. We got to go and get a cone. Now we keep hoping for more flats whenever we come to a stand."

No Supermarkets. The island newspaper, the "Morning Star," isn't as big as those here, Marty says, because they don't have the big supermarket advertisements—in fact, there are no supermarkets there. But the paper does run their favorite cartoon, "Peanuts."

There are two movie theatres on Kadena base, and on Saturday morning they have special movies for children. They are not air conditioned though, and the weather in Okinawa is pretty hot in the summer.

"The reason for this report from Okinawa is because of the letters we have received from so many of our friends in Mrs. Stewart's and Mrs. Reiske's classes at Niedringhaus School," Marty concludes.

"And may I also thank my Sunday School teacher, Mrs. Widows, and her class for the thoughtful birthday wishes. We certainly welcome all these letters from home."

Second Daughter Arrives
Mr. and Mrs. Conrad Bauer, 2914 Idaho street, have named their infant daughter Tracy Ann. The baby, who arrived Sunday at St. Elizabeth Hospital, weighed six pounds. She has a sister, Laurel Lee, six years old.

MARTY HUFFMAN ELAYNE HUFFMAN
NOW IN OKINAWA, these two young Granite Cityans, Marty (right) and Elaine Huffman, are being flooded with letters from home, and they enjoy every one of them.

GC Library Story Hour To Begin Tuesday

The first of seven story-hour sessions for kindergarten through fourth grade students is scheduled to begin at 10 a.m. next Tuesday at the Granite City public library, it was announced by Mrs. Mary Gene Knuffke, librarian.

The program will be conducted each Tuesday from 10 to 11 a.m. in the library auditorium. Following the last session, on Aug. 29, a party will be held.

The book, "Pinocchio," will be featured as the continuous story, with two others single stories, games, film cartoons and a puppet show planned.

The Finger of Prophecy Points to Berlin Going Down the Communistic Drain

The entire subject and related prophecies will be discussed in a special sermon

Sunday Night, July 16th

By Rev. C. M. O'Guin

Trinity Tabernacle, Madison

Within a few months our National Leaders will meet with the highlanders of the Kremlin in a showdown on Western Berlin and all Germany. Regardless of the outcome of the moment, Ezekiel numbers Germany with the fatal invaders that march on Palestine. Hear what the Hebrew prophets foretell about these things.

20 Dogs At City Garage Await Adoption Or Death

An affectionate female with brown eyes and hair and a captivating "take the home" look desires a companion, no questions asked.

She doesn't have a name just now because she was "arrested" a couple of days ago for being on the bum.

Right now she's awaiting execution for the crime of not having an owner or anyone to claim her in a temporary pen for stray dogs in the city garage, 19th and Benton streets.

So are about 20 other dogs in-exile, ranging from terriers and beagle hounds to mixed breeds. Many of them are merely pups.

Scott Craycraft, humane officer, said an average of eight or 10 dogs are claimed each week. The rest are destroyed after five days unless they appear well-groomed and there is a chance the owner maybe out-of-town.

Lifetime Loyalty
All have pleading brown eyes, red hot tongues and are treated to attach themselves with utmost loyalty to any owner, rich or poor, doctor or thief for life.

Owners can claim their dogs by purchasing a city license having the dog inoculated for rabies and paying a kennel fee of \$1 for each day the animal was cared for.

Craycraft, on the job for the past three months, tours the city looking for stray dogs twice daily. He also answers reports of strays at specific locations.

The natural hazard that he may be bitten by a rabid dog is outweighed, he says, only by the affection he builds for some of the little critters that no one claims.

Dogs with mange, distemper or other disease are destroyed as soon as they are picked up. Dogs suspected of being rabid are held for 14 days for examination.

Prefers Dogs To Cats
Craycraft, himself the owner of a German shepherd, said he has no favored breeds although he prefers dogs to cats. But he points out to prospective "adopters" dogs he feels will make good pets.

Control of stray dogs is especially difficult because of the invisible line between city territory, where dogs must be licensed, and county territory, where there is virtually no control, Craycraft pointed out.

So far there are 141 licensed male dogs in Granite City and 47 licensed female animals, of an estimated total dog population of 300 males and 150 females. About 13 million dogs of all types roam the United States.

Questioned whether most pro-

ple who obtain their pets at the city dog pound prefer male or female animals, the humane officer said both sexes are about equally in demand.

"Although some people don't want the bother of having a female dog around, others say the female makes the best house dog," he explained.

What steps should dog owners take to keep their pet comfortable in the coming dog days?

"Keep them in a cool place and give them plenty of cold water," Craycraft says. "If they're in a pen keep it disinfected to keep flies away."

Post 113 Installments In Ceremonies Tuesday

Joseph E. Gottfried was installed as commander of Tri-City American Legion Post 113 in ceremonies Tuesday night. He succeeds Alex Duccini, installing officer was a past commander, Chester Breckenridge.

Community officers include: Charles Mizerski, senior vice-commander; Harold Summers, junior vice-commander; Duccini, adjutant; Bert Harris, finance officer; Edie Breckenridge, chaplain; Gene Ross, sergeant-at-arms; Edward Horton, historian; William Caudle, American officer; John Metro, service officer; Eldon Curtright, child welfare officer; Wilbert Siepert, public relations officer; and George Durbin, graves registration officer.

A public installation is set for Aug. 19, with a dance to follow. Gottfried is to attend the department convention at Chicago July 26-30.

Four Venice Youths Charged With Petty Thefts

Venice police arrested four youths Tuesday on charges of petty theft and curfew violation after they had admitted stealing hubcaps and other auto accessories late Monday night.

They are William Lee Black, 16, of 217 Ashbrook street; Larry Gene Hill, 15, of 603 Jefferson street; Gary E. McDowell, 14, of Apt. 84, Venice Homes; and Michael Van Dennis, 16, of 127 Hampden street.

The youths admitted taking two hubcaps from a car in Granite City, four hubcaps and a seat cushion from a car parked near the Illinois Terminal switchyard and a tail pipe extension from an auto parked in a Venice alley.

After signing statements, they were released to the custody of their parents until a hearing to be set at a later date. The property was recovered.

Grocer Has Teeth, Now Seeking Owner

Somewhere in the Quad-Cities area, someone is missing a set of teeth. And at the Tri-City Grocery in Bellemore Village Shopping Center, Manager William E. Ogden is looking for that someone.

A clerk at the store found a partial upper plate in a carton of empty soft drink bottles. A quick check of employees showed it didn't belong to anyone working in the store.

"I've found many, many things in grocery stores," Ogden said, "but never a set of teeth before. I know these things are expensive, and we'd like to return them to their owner."

Former Granite Cityan Dies In Murphysboro

Funeral services were held Tuesday in Murphysboro for Mrs. Linnie Wheeler, a former Granite City resident and a sister of Mrs. Mildred Parker, 2403 Iowa street, who died there Sunday. She would have been 75 on Aug. 28.

Mrs. Wheeler was born in Witt, Ill., in 1886. She had been in declining health for many years with diabetes. Her membership remained in the First Baptist Church of Granite City although she moved from here in 1930.

She was the widow of Calvin C. Wheeler, who preceded her in death last November. In addition to Mrs. Parker, she is survived by several nieces and nephews. Interment was in a Jackson County cemetery.

ENGAGED, Miss Carol June Smith, whose betrothal to Charles E. Wood, a son of Mr. and Mrs. Charles M. Wood, 1728 Second street, Madison, is announced by her parents, Mr. and Mrs. Anthony B. Smith, 3 Briarcliff.

'Engaged Girl' Party Held At Y

Approximately 100 persons attended the "engaged girl" party and style show given by the Welcome Wagon last night at the YMCA.

Pink and white dogwood decorated the stage and runway and music was furnished by James Krizan, organist, and Miss Donna Staydubar at the piano.

Mrs. Iretta Staydubar and Mrs. Joan Wischuk were in charge and the commentator was "Mr. Jack" of St. Louis. Serving as models were Karen Bauer, Barbara Bowen, Jane Edmonds, Fran Schlagerprizzi, Jackie Smith and Sandra Tabaka.

The guests were greeted at the door by Paul Staydubar and Leslie Barnett, dressed as bride and groom, and presented with programs and letters of congratulations from Mayor Leonard Davis.

Prizes were furnished by the various sponsors and the tea table was adorned with an arrangement of pink and white snapdragons presented by Gbiff & Dittman, florists.

The officers, Mrs. Sylvia Bryant, president, and Mrs. Mary Alice Roney, vice-president, served, assisted by Virginia Craft and Mary Price. Mrs. Allie Smith was in charge of refreshments.

Gifts were presented to Dale Rosenberg, Shirley Deason, Lucille Segey, Caroline Cholevik, Mary Cott, Sandra Wilkins, Judy Georgeff, Jane Patterson, Virgie Travis, Mary Ann Lybarger, Betty Hoffman, Nancy Sowell, Carol Nierper, Linda Willis, Judy King, and Rosalie Broyles. Miss Sowell also received a "real" basket from Mrs. Nina Bigley.

Among the special guests were Mrs. Thelma Fry and her daughter, Carol, of Union City, Tenn. Welcome Wagon district sponsor, who presented awards. Musical instruments were furnished by Johnson Music Shop.

AUXILIARY HEARS GIRLS' STATE REPORT

A meeting of the Auxiliary of American Legion Post 113 was held last night with Mrs. Mary Batson, president, presiding.

Miss Ellen Winters, who represented the Auxiliary at Girls' State, reported on the activities there, and announcement was made of a \$45 check received by the group in a recent radio contest.

Plans were made for a membership drive in August. After the business discussion there were games, and refreshments were served to 30 members by Mrs. Edna Brunscomb and committee.

Mrs. Henry Is Circle Hostess

Mrs. Beatrice Henry, 1728 Spring avenue, was hostess to the Ruth O'Dell Circle of Calvary Baptist Church at an afternoon meeting in her home Tuesday.

Eight were present, including two guests, Mrs. Sue Rochester and Mrs. Mabel Turnbull, and Mrs. Lois Bradford, program chairman, opened the meeting with a poem entitled "Lift Your Eyes." The topic for discussion was "Sharing Possessions," and taking part were Mrs. Mary Byxby, Mrs. Henry, Mrs. Rochester, Mrs. Edith Harris and Mrs. Viola Jones.

Mrs. Bradford concluded the program with another poem, "I Will Be Faithful, I Will Give," and the Scripture lesson.

Mrs. Turnbull offered prayer for members of the church who are hospitalized and a special missionary offering was taken. Mrs. Jones conducted the business session and the closing prayer was by Mrs. Rochester.

Refreshments and favors carried out a patriotic red, white and blue color scheme and plans were made to meet again Aug. 8 with Mrs. Byxby, 4010 Braden avenue.

Circle members attending were Mesdames Jones, Mary Youngblood, Harris, Byxby and Bradford.

Jr. MWA Club To Be Formed

A junior club of the Modern Woodmen of America will be re-organized at a party Monday evening, July 24, according to an announcement by Mrs. Lizzie Mae Foster of East St. Louis, the fraternal society's local district agent.

The club, the 70th such group to be organized, will be a part of the Granite City adult Camp 3791. It will be supervised by Mrs. Shirley Boswick as junior director. Charles C. Thurber is camp secretary.

Mrs. Foster, who will have charge of the reorganization ceremony, said the names of 158 children of this community under 16 years of age will appear on the charter roll.

The club will offer recreational activity and citizenship training for the children of the area, as junior clubs develop their efforts toward the training of youth along civic, educational and social lines. Meetings are to be held monthly. There are over 300 such clubs now functioning in the United States.

Emblematic a s e membership pins will be presented to the members. There will also be souvenirs and refreshments.

SPLASH PARTY FOR JOE'S DAUGHTERS

A scheduled meeting of Joe's Daughter's Bethel 43 Tuesday evening was followed by a "splash" party at Sunset Hills Country Club with 44 taking part.

During the meeting plans were made for the initiation of nine new members July 25. Mrs. Alice Christian, mother of Honored Queen Mary Alice Christian, received the newly initiated mothers' pin from her daughter.

The pin was instituted by Mrs. Edith Mott, junior p a t Grand Guardian, and is to be passed down to each succeeding mother during her daughter's term of office as honored queen.

Chaperones for the swimming party were Mrs. Nell Baskette, guardian, Dr. E. H. Theis, associate guardian, and Mrs. Theis, Mrs. Martha Bischoff, Mrs. Hil-dred Lewis, Mrs. Christian, Mrs. June Cuchna, Mrs. Jan Rider and Mrs. Eva Shepard.

CLASS HOLDS PICNIC

An outdoor and picnic supper was enjoyed Tuesday evening at Wilson Park by members of the Ruth Class and their husbands.

Participating were Mr. and Mrs. Andy Turnbull, Mrs. Esther Hoffman, Mr. and Mrs. Lonne Marler, Mr. and Mrs. Dan Thomas, Mrs. Elizabeth Knight, Mr. and Mrs. John Taylor, Mr. and Mrs. John Ritchie, Mrs. Howard Henry, Mrs. Lucy Demery, Mr. and Mrs. Gehard Schepers, Otis Eads, Mr. and Mrs. Charles Brooks and Mrs. Gussie Hessman.

GUESTS RETURN HOME

Mr. and Mrs. Manuel Jones, 129 Briarcliff, have been entertaining in their home the past three weeks their daughter, Mrs. Gordon Rock and her son, Tommy, of Ogden, Utah. Mrs. Raymond Jett of Elgin, Ill., and Mrs. Fred Gray of St. Charles, Ill. The visitors left early this week. Accompanying Mrs. Jett were Yvonne Jones and Geisla Kumbach, who will spend the remainder of the summer vacation at the Jones home.

VACATIONING HERE

Mr. and Mrs. Jack Mawdsley and daughters, Kim and Beth, of Battle Creek, Mich., are here for a fortnight's visit with their parents, Mrs. E. D. Mawdsley, 2232 Delmar avenue, and Mr. and Mrs. Walter Mosby sr., 2613 Madison avenue.

HAROLD'S RETURN

Mr. and Mrs. Vernon Harold and children, Michael and Rosemary, 3220 Rodgers avenue, have returned home after a tour of the south and a vacation at Miami Beach, Fla. Enroute home they visited Mr. and Mrs. Adley Ryan Phillip of Vero Beach, Fla., former Granite Cityans.

BRIDE-TO-BE, Miss Ruth Sullivan, whose parents, Mr. and Mrs. Charles Sullivan, 2816 Nameoki drive, are announcing her engagement to Jerry Patton, a son of Mr. and Mrs. L. S. Patton, 2402 Washington avenue.

Greeters Club Plans Picnic

The Tri-City Greeters Club met Tuesday evening in the rathskellar of the Elk's Club with 23 members and guests present. The guests included Mesdames Ruth Barrington, Darlene Hull, Lela Ashbury, Yvonne Unger, Charlotte Vanyo, Dorothy Blasing, Beverly Justine, Dorothy McMurrie and Virginia Craft and Miss Dorothy McMurrie.

A film on crystal ware was shown and prizes were awarded to Mrs. Hazel Brink, Mrs. Lori Wilson and Mrs. Hall.

Mrs. Jerry LeMaster, president, presided and announced plans for a picnic to be held at 5:30 p.m. Aug. 8 at Wilson Park. All newcomers to the area and their families are invited to attend.

Backers Of Lake Park Again Should Speak Out

With Gov. Kerner estimating that anticipated revenue is \$97,500,000 short of state appropriations for the next two years, the Horseshoe Lake park bill may still face a rocky road despite the sales tax increase. We hope that before he decides on the park measure late this month or in August, friends of the project will urge again that it be approved by his signature.

Properly favoring a balanced budget, the governor says the payroll will be trimmed, services reduced, some of the \$54 million in special capital projects vetoed and other capital expenditures approved and frozen, to be "clawed" later if there are unexpected increases over the estimated state income.

Since the \$3½ million lake park bill includes a provision that the funds must be shown to be available before being expended, it would seem that—at the minimum—there are grounds for hope of signing and temporary freezing. Overwhelming passage by both the Illinois House and Senate showed widespread recognition of the need, and a veto would be a severe setback.

We hope that somehow, somewhere, the money can be found and provided in this biennial. There is justification for a high priority on Horseshoe Lake development, since site costs will climb as time passes, and there will be growing competition for the use of land adjacent to the water.

All Quad-Cityans have a stake in the park proposal. It would be a major attraction both for new families and for new industries, which are not only seeking plant sites but also desirable living conditions and recreational facilities for their employees.

School Districts Can Benefit From Simplified Treasurer System

Elimination of the township school treasurer system effective July 1, 1962, will put the responsibility for school property and finances where it belongs—on the township boards. School districts throughout Madison and St. Clair counties will have the opportunity to reduce costs and simplify fiscal procedures.

Savings seem sure to result from abolishing the township school trustee elections and from substantially reducing—or eliminating—the salary of the treasurer, who is to be appointed by each board and will have less responsibility than under the existing system. Duplicate bookkeeping and auditing also can be largely ended, further reducing the \$30,000-plus yearly cost in Madison county.

No salary limit was specified in the action by the General Assembly because it was felt there was better chance of passage if the bill simply changed the county population figure, allowing Cook county to retain the system but ending it in the two local counties and preventing it from being reinstated in several others which passed 180,000 in the 1960 census. Dating back nearly two centuries, the trustee program has been extinct since 1953 in 92 of the 102 Illinois counties.

If school boards fail to stress economy in treasurer costs there are plans to seek stricter regulation in the 1963 legislative session. The proposal results from abuses in some areas, where township school treasurers have been paid upwards of \$20,000 a year for routine, part-time duties. But a more stringent law may not be necessary, for there are many outstanding examples of fiscal efficiency to guide bi-county area school districts in their new duties and authority.

Chain Reaction Crash Involves Three Autos

A driver who told state troopers he became distracted when he saw a truck coming behind him at a high rate of speed crashed into the rear of another car at the intersection of Bypass 66 and U. S. Route 67 at 9:10 a.m. yesterday.

Police said Louis Paschoff, 51, of St. Louis and TV Co., 1936 State street, struck the rear of a car driven by Douglas Hixon, 20, of Florissant, Mo., knocking it into the rear of a car driven by Charles Edsworth, 53, of Cooperstown, N. Y. Both cars were halted for a red traffic signal.

All vehicles were headed east on Bypass 66 when Paschoff saw the truck in his rear-view mirror, police said. The truck did not collide with any cars and continued on its way.

Summer Project: Funds For Airport Economic Study

When summer comes, there are usually many people out-of-town and there is sometimes a lull in the actions and decisions of civic groups and governmental bodies, except for the required summer adoption of yearly budgets and levies. But we hope that this summer will be an exception, with the bi-county airport study proposal gaining headway rather than lying dormant.

With general agreement that this region's second major airport should be located within the two counties, it is important that planning and site selection be handled by Illinois leaders so that the airport can be correlated with local zoning, housing, industrial development, recreation and highways. A key initial step is the raising of a \$20,000 airport economic study fund by the two counties, cities of the area, Chambers of Commerce and other groups.

Instead of waking up some morning to learn that the airport planning has been taken out of its hands by outside interests, the Illinois Metropolitan Area should proceed promptly to meet the unsubscribed amount of the \$20,000 goal.

Every man, woman and child should continue to study throughout life; there is no saturation point for knowledge.

Public Attendance Has Good Effect On Council Meetings

Now that council meetings in the modernized Granite City city court chambers have become a habit, it might be well to consider ways of providing more adequate seating arrangements for the aldermen. Despite a summer lull in public attendance at the meetings, the advantage of more audience space is a gain that can contribute to the community's civic health by encouraging active citizen interest and participation.

In this connection, it is interesting to note that Venice city officials are installing air-conditioning in their meeting rooms in the hope that the summer temperature may bring about larger citizen gatherings during summer council sessions.

While life is too full and meetings too numerous for all to attend, a representative audience can contribute much to the handling of public business by its very presence and occasionally through questions and informative comments. It is good to see that the worth of this objective has been recognized and that it is being pursued by the governmental agencies.

Johnson Road Paving Among City's Major Street Needs

While it is important for Granite City street construction to be correlated with drainage improvements so that newly-paved streets will not have to be torn up during sewer installation, council members are correct in pinpointing Johnson road as one of the most pressing future paving needs.

Already a major traffic artery and studded with public and parochial schools, churches and commercial establishments as well as homes, Johnson road will receive even greater usage as the adjacent residential area expands outward.

People who enjoy resting should not mind working; without labor there can be no real recreation.

Schermer Mkt. To Show Rare China Collection

A collection of Presidential china valued at \$10,000 will be on display Thursday, July 20, through Saturday, July 22, at the Schermer Super Market, Twelfth street and Madison avenue.

Called "First Ladies' Choice," the collection of rare plates includes things formerly owned and used by Presidents Madison, Lincoln, Grant, Hayes and Garfield. The collection being loaned by its owner, B. T. Babbitt, is said to be the largest other than the Smithsonian Institute collection and the White House's own collection.

Among the rarities to be displayed is the Madison plate, one of the few White House furnishings saved during the sack of Washington in the War of 1812. Plates of modern presidents are no longer available for purchase. Under federal law, such furnishings now become property of the government.

SCREENS & STORM INSERTS REPAIRED, GRANITE CITY GLASS, 18TH & EDISON.

They are clarinetist Barbara Newhouse, 17, of 2209 Charles street, and Howard Mason, 16, of No. 5 Queensbury court, a baritone. Both attended Granite City high school.

The two weeks of intensive rehearsal will be climaxed with a free public concert. Recreational, social and cultural activities also comprise the program.

The music camp, conducted by the U. of I. Division of University Extension in cooperation with the School of Music, is in its 13th year.

Epping Petition Taken Under Advisement

(Special from Springfield) The petition for executive clemency filed last week by Edward A. Epping was taken under advisement Tuesday by the state parole and pardon board.

Epping, who was sentenced in August 1958 to a term of four-to-five years for his role in the Dr. Hodge scandal, contends that another sentence of one-to-10 years be received in March 1958 after being found guilty of four other charges, war to run concurrent and end with the first term.

He is serving his term at Menard Penitentiary.

Sacred Heart, Rick's Have Easy Sledding In Teenage League

Sacred Heart and Rick's Market scored easy victories last night at Wilson Park in the national contest sponsored by the Freedoms Foundation, Valley Forge, Pa.

The Hearts bombed Rick's Black chapter 11-2 as Mike Triton, Dale Pashes and winning pitcher Ray Rushing each clubbed home runs. The winners sewed things up with a six-run inning.

Rushing smited Rick's to three hits, Jim Hindelang and Charles Parkinson shared the catching duties for the Hearts.

Tom Jenkins was the losing pitcher, with Ken Druhe behind the plate for Black chapter.

Winning hurler Bob Hoffert hit an inside-the-park round-tripper as Rick's Market blanked Rick's Black chapter 10-0.

Rick's picked up nine safeties off Joe Quinlan.

Rick's scored in every inning of the five frame contest, getting four runs in the third. Ken Cook was the Rick's Market receiver while Bob King was behind the plate for Rick's.

Howard and the YMCA team each failed to field a full square for the league's third scheduled game and a double forfeit resulted.

Abandoned Auto Found

An abandoned and apparently stolen 1957 auto was found by county authorities at 5 a.m. today on a road at Horseshoe Lake.

The rear wheels and battery had been taken and the rear license plate, which apparently also was stolen, had been used to a Missouri man for a different use.

Historical Exhibit To Enter National Contest

A historical exhibit created by students in the advanced speech class of Granite City high school is to be entered this week in a national contest sponsored by the Freedoms Foundation, Valley Forge, Pa.

Entitled "The American Dream Comes True, through Private Enterprise as Exemplified in Granite City," the display is to be judged in February, according to Mrs. Mary Blackburn, speech instructor who supervised the project.

To be entered in the school classification, the display depicts a phase of the American constitution, applied locally.

More than 100 students completed the project during the spring semester after extensive research. It consists of seven two-foot panels hinged together, and shows stages in the growth of Granite City.

Each of the panels contains information and photos under topics of "Dreamers", "Founders", "Settlers", "Pioneers", "Believers", "Defenders", and "Reapers".

A speaker's bureau of the class used the exhibit for talks before local service clubs and a pageant was produced from it for the high school student body. The pageant will be expanded and staged for public viewing sometime in September, Miss Blackburn said.

The exhibit was displayed in a window of the Illinois Power Co. office last month.

When it is sent to Valley Forge, the exhibit is to become property of the contest committee. Should it win an award, it will be displayed in a museum there.

Ruling On Levee Board President Expected Friday

City Court Judge John M. Karna sr. of East St. Louis said today he expects to issue a ruling Friday which will determine the presidency of the board of trustees of the East Side Levee & Sanitary District.

Judge Karna, who one month ago set July 10 as the date for the ruling, explained that the press of court business, including his serving as acting county judge in Cook county, has prevented a ruling by that date.

Cites Bulky Briefs
"I've got to have time to read these briefs," he said, referring to a thick stack of papers which make up injunctions, counter-suits and court testimony amassed during a fight for control of the levee board which began last December.

The ruling which the judge is to hand down will determine whether Dan E. Costello or Lawrence T. Tolar shall serve as trustee president.

It will have to do with the validity of an injunction filed on behalf of Costello which prevents Tolar and two other board members from "interfering" with Costello in the exercise of his duties as president of the board of trustees.

The injunction was filed in East St. Louis city court to prevent Tolar, Thomas F. "Skip" Hennessy and John E. Molla, members of the board's majority faction, from holding a special meeting for the purpose of firing levee board attorneys, including local City Court Judge Fred P. Schuman, and the board treasurer, Madison Mayor Stephen A. Macraes, and replacing them with personnel picked by the majority group.

Two 'Elections'
Earlier, on Dec. 7, Costello was "elected president" at the trustees' reorganization meeting after Tolar, Molla and Hennessy had left the meeting, assuming that no board business could be conducted in their absence. George Duff, the fifth trustee, nominated Costello, who was then "elected." Minutes of the meeting kept by levee district clerk Charles Melvin showed Tolar, Molla and Hennessy "present, but not voting."

The three had left the levee district offices after a squabble developed over the validity of Hennessy's vote in a reorganization meeting, since his certification of election had not yet arrived from the office of Secretary of State Charles F. Carpenter. Hennessy was the only new member to be elected to the board during the general elections of last November.

Tolar, Hennessy and Molla met later in December and "elected" Tolar president, and the squabble has continued in and out of the courts ever since. At one point Costello filed charges against Hennessy, stating that Hennessy had threatened to kill him. The charges were later dropped.

Attorneys for the majority faction filed suit in Belleville circuit court alleging that Judge Karna's court had no jurisdiction in the matter. That suit has not been dropped, and might be a foot in the door for the majority faction if Judge Karna rules against it tomorrow.

No Pay For Employees
Meanwhile, employees of the levee district experienced their third payless payday Monday. With the levee board members unable to agree on a board president, paychecks could not be issued, since they require the president's signature.

The levee district also is unable to issue tax anticipation warrants, other papers which require officers' signatures.

MRS. VYVYNE DUBBIN
1644 Venice Avenue
GL 2-3389

Several local families returned late Sunday after spending the past week fishing, swimming and scuba diving at the Lake of the Ozarks. Those returning were Mr. and Mrs. William Grable, 3809 Pontoon road and children, Billy, Beverly Kay and Phyllis, Mr. and Mrs. Tony Greco and children, Patty, Terry and Kathy, Mr. and Mrs. Harry Weis and Mr. and Mrs. Bobby Weis and Mr. and Mrs. Mike Weis and children, Debby, Michael, Denise and Donna. The Weis family is from St. Louis.

Susan and Gail Sabin, daughters of Mr. and Mrs. Lewis E. Sabin of Spring avenue, left Sunday to spend a week visiting their grandmother, Mrs. Sylvia Sabin in Flora, Ill.

Collision On Nameoki Rd.

A Marquette, Mich., motorist, John R. Stevenson, 25, was driving south on Nameoki road about 12:08 a.m. today when his car was involved in an accident with a vehicle driven by Kenneth M. Neutgens, 24, Granite City Engineer Depot. Neutgens was making a turn onto Nameoki off of St. Clair avenue when the accident occurred, police reported. Theories always look mighty good until the time comes to put them to a practical test.

Test Freight Station

In Operation At Depot

A freight consolidation station has been established on a test basis at the Engineer Depot here, according to Major Jack Kory, officer in charge.

The station, an operation of the Transportation Corps, is independent of the Engineer Corps and is aimed at consolidating less-than-carload units of freight originating in Illinois and eight nearby states for overseas designation, he explained.

If the test is successful it will be expanded to other army installations, the major said.

8 GC Teachers Hired, 20 Positions Open

With the hiring of eight teachers at the Tuesday meeting of the board of education, about 20 positions remain unfilled in the Granite City school district. One resignation was accepted.

Of the 54 teaching positions open at the beginning of the summer, about 34 have been assigned. Supt. Harold M. Kaiser announced, thirty-two positions are new and 22 are replacements.

Schools with vacancies are Central, Frohardt, Logan, McKinley, Maryville, Mitchell, Stallings, Washington and Wilson. Most available positions are on the primary—kindergarten; first and second grades-level, Dr. Kaiser said.

None of the eight teachers employed Tuesday had previously worked in the district. They are Robert C. Anderson, 2113 Waterman avenue, 1960 bachelor's degree from Southern Illinois University and no experience, for fifth and sixth grades at Stallings; Paul G. Bodine, Peoria, 1961 bachelor's degree from Bradley with no experience, for German at Coolidge; Miss Yvonne Jean Burjass, Chicago, 1961 University of Illinois bachelor's degree, for Nameoki fifth and sixth grades.

Robert C. Gurney, Marine, STU 1959 degree and five years experience, for Emerson sixth grade.

Mr. and Mrs. Calvin Howard and children, Randy, Perry, Joni, Ronnie and Shari, 2832 Edgewood avenue, visited Sunday in Litchfield with Howard's parents, Mr. and Mrs. Jesse Howard.

Mrs. Barbara Miller and daughter, Joni and Shari, 3009 Sunbury avenue spent the weekend in Decatur visiting Mr. and Mrs. R. L. Robinson, who are Mrs. Miller's parents.

VENICE WOMAN HELD AFTER HUSBAND IS SHOT

Mrs. Dorothy Starke, 35, of 613 (rear) Merceda street was arrested by Venice police last night on a charge of assault with a deadly weapon after she allegedly cut and stabbed her husband, Mr. Starke, with a kitchen knife during a quarrel at home.

Police were notified about 11 p.m. by a neighbor and took the couple into custody. They said the man had a cut on the left arm and a stab wound on the left side of the body. He was given emergency care at St. Elizabeth's Hospital.

Starke told authorities his wife cut and stabbed him after he hit her during a quarrel at home. Mrs. Starke is being held in the Venice city jail.

VENICE WOMAN HELD AFTER HUSBAND IS SHOT

Mrs. Dorothy Starke, 35, of 613 (rear) Merceda street was arrested by Venice police last night on a charge of assault with a deadly weapon after she allegedly cut and stabbed her husband, Mr. Starke, with a kitchen knife during a quarrel at home.

Police were notified about 11 p.m. by a neighbor and took the couple into custody. They said the man had a cut on the left arm and a stab wound on the left side of the body. He was given emergency care at St. Elizabeth's Hospital.

Starke told authorities his wife cut and stabbed him after he hit her during a quarrel at home. Mrs. Starke is being held in the Venice city jail.

The total tax bill for the year was \$877,823, Massa said. The books will go to Edwardsville tomorrow. The collection period was June 1 to July 3.

Kelly Girls Clip

Valmeyer Tuesday;

Now One Game Out

The Venice Kelly Girls climbed back to within one game of first place in the Girls' Twilight Softball League Tuesday night when they beat the Chicago Valley team by defeating Valmeyer 13-9 in a loop contest played at Waterloo.

Joan Massarag gave up 16 hits and three runs in her eighth victory in 11 decisions. Sandy Coats, touched for 10 hits by the Kelly Girls, was lost.

Trailing 6-4 after three innings of play, P. E. "Pop" Meyer's players broke loose with a five-run fourth frame and added four more markers in the fifth. Now 11-3 in the Twilight league and 16-6 overall, Kelly's leads Livingston in a non-conference game tonight at 8 o'clock at Lee Park in Venice.

Saturday night at Fletcher Field in Collinsville players representing Kelly's, Valmeyer, Alorton, Belleville and Maryville tackled league play in the annual Twilight all-star game. Game time is 8 p.m.

WMU TO NOMINATE
The Women's Missionary Union met Tuesday evening at Second Baptist Church with Mrs. Elsie Sturdivant presiding. Mrs. Duggins gave the devotion and participated on the program along with Mesdames Lena Stephens, Georgia Miller, Mrs. Sturdivant, Naomi Rogers and Evelyn Smith. The meeting closed with singing and prayer.

During a business session, Mrs. Ruby Mayberry was elected community mission chairman, and the group voted to donate cookies to the Brooklyn Bible school which opens Monday.

Selected for the 1961-62 nominating committee were Mrs. Margaret Mitchell, Mrs. Dena Watson and Mrs. Lena Stephens. Refreshments were served by Mrs. Smith and Mrs. Watson. The August meeting will be with Mrs. Mayberry.

SUNBEAM MEETING
The Buck Miller Primary Sunbeams met Tuesday afternoon at Second Baptist Church and the group worked on a display of house, trees and animals of Indiana and a mural and map of the world. Members of the World Friends Sunbeams, meeting at the same time, made cone-shaped hats. Mrs. Betty Lewis presented a story on the city of Kettiv, where, Kathleen Jones, a missionary, is stationed.

Plans were made for the two to meet in St. Louis in the beam skit at the Maryville Baptist Church during a WMU quarterly meeting July 20.

The members decided to buy cookies for a Brooklyn Bible school. Also present were Bobby McCord, Corky Burnett, Frances Welty and Susan Anderson.

MORE ABOUT
No Changes-
Bus Service

(Continued from Page 1)
and 24 in the afternoon for a cost per day to the district of \$546.
The other rejected plan called for elimination of elementary, junior high and high school routes where transportation is available within the mile-and-a-half distance prescribed by state law. Buses for 1400 to 1600 students would have a basic cost of \$76,200, with 16 vehicles in the morning, 19 in the after-

noon and a \$427-a-day expenditure.
Board members appeared in agreement that the two cost-cutting plans might increase absenteeism, which in turn would reduce the amount of state educational aid received by the district.
Monroe Worthen noted that the first of the rejected proposals would save \$13,000, and Herbert Bischoff asked Dr. Kaiser if the loss in state aid due to absenteeism might offset the gain. When the superintendent answered in the affirmative, Board President Robert Spengler called for the recommendation. Earlier, Homer Huber commented that the legality of that plan to eliminate elementary, junior high and high school routes could be questioned.

Single Bid Problem
In other business Tuesday the board made awards on 15 items of supply and repair work, and discussed procedure in cases of only one bid.
Ralph Fricker said he had been called by a representative of the Galloway-Von Gruenigen Co., a plumbing firm which was the sole bidder on Mitchell school plumbing work discussed at the June 27 meeting. The board had decided to call for rebids.
The plumber felt jeopardized, Fricker said, because his lone bid figure was published in the Press-Record and at a later bidding other firms might underbid him.
Reactions were mixed. Worthen suggested that a policy be formed on single bids. Huber said no problem would arise if

the newspaper did not print the figures. Spengler said a set policy would "tie the board's hands."
Supt. Kaiser pointed out single bids are frequent, though not high in percentage of contracts awarded. He said School Engineer Marvin Dean and Administrative Assistant Victor Anderson are able to determine when bids — whether one or five — are fair.
A suggestion by Bischoff to send back unopened two single bids discussed Tuesday night was agreed upon, but no permanent policy was set up. The second bid submitted by Galloway-Von Gruenigen of \$850 for plumbing fixtures at Mitchell school was accepted. Markedly Plumbing Co. bid \$927.
Blacktop paving, at a cost of \$12,346, was approved for six

schools. Paving at Maryville and Wilson schools, both of equal cost, will be done by Modern Asphalt and Paving Co. \$4850.
Grading and paving at the high school tennis courts, and paving at Frohardt, Logan Annex and Niedringhaus will be done by Charles E. Mahoney Co. \$786.
The Dressel-J. Massey division of Dressel-Young Dairy, the lone bidder, will supply milk, half and half and cottage cheese for the coming year. Prices are: bulk milk per gallon, 65 cents for white and 70 cents for chocolate; half pints, five cents for white and five and one-half for chocolate; half and half, 29 cents per carton; cottage cheese, \$1.30 per gallon, 68 cents per half-gallon and 55 cents per quart.
At the June 27 meeting action

was withheld on the purchase of stone from Paul Seebold Concrete Co., the low bidder on 400 to 500 tons of grade eight stone. Member Ralph Fricker is employed by the Seebold firm.
The board waited for word from Kenneth H. Lemmer, legal adviser to the office of the state superintendent of public instruction. Lemmer advised that since Fricker is an employee drawing a weekly salary regardless of the profit or loss of the company, the Seebold firm is eligible for the award. Seebold will supply the stone at \$3.10 per ton.
The entrance to the parking lot and for Coolidge junior high school at Naneoski road opposite Jill avenue will be increased in width from 22 to 33 feet by the General Const. Co. for \$355.

ANN RUTLEDGE REBEKAH LODGE HOLDS MEETING
Ann Rutledge Rebekah Lodge 47 met last night at the IOOF hall on Naneoski road.
In the absence of Mrs. Joyce Bailey, noble grand, Mrs. V. Kassabaum, left supporter to the noble grand, presided. Approximately 20 members were present.
Mrs. Kassabaum was a guest officer earlier in the week at a meeting of Ruth Lodge in East St. Louis.
Right Key, Wrong Car
John Kraus, 917 Iowa street, Madison, reported to Granite City police that his car was stolen from the General Steel Industries, Inc. parking lot about 6 a.m. today. He called back a short time later and said wrong car.

Granite City PRESS-RECORD

RETURNS FROM WEST
Mrs. Everett Emmel, 2353 Iowa street, has returned from a fortnight's stay in California where she was called due to the death of her aunt, Mrs. Bertha Putt of Los Angeles. While away she also visited her son and daughters-in-law, Mr. and Mrs. Darl Buchta of Los Angeles, and Mr. and Mrs. Forest Polloff of Sacramento.
The real conquering hero today is the fellow who has conquered all his bad habits.
That the vehicle was taken by mistake by a fellow employee about 6 a.m. today. He called back a short time later and said wrong car.

It's Interest Time... time when folks in the Savings Department of Granite City Trust and Savings Bank are busy adding interest earned to the savings passbooks of every customer. So, when Marjorie Love's vacation rolls around this month, she will be ready for it. Marjorie is a savings teller at "Your Friendly Bank."

And right now, in addition to busy interest time activities, she's also making savers happy by giving these beautiful china and stainless steel dinnerware gifts to depositors. And, in between times, Marjorie accepts Real Estate payments at her savings window.

Later this month, Marjorie and her husband, Ray Love, who live at 2900 State street, will take off for a well earned vacation in Canada. Their trailer trip will take them to many scenic places. Both ardent campers and fishermen, the outdoor life they lead in their leisure, provides wonderful stories when they return home.

Marjorie, who attended Granite City grade and high schools, is typical of the friendly folks who serve you at Granite City Trust and Savings Bank. Gracious and friendly as she serves the bank's customers, interested in the community which she lives in, trained and able to handle her job efficiently and well, Marjorie Love is another member of the "Friendly Family" whose concerted efforts to make banking more convenient and pleasant, give more reasons why more and more folks are making Granite City Trust their bank.

King-Sized Cabbage
Grown By GC Couple

Cooking giant vegetables out of the ground has for years been the hobby of a Granite City woman and her husband. But a cabbage grown this week was the topper. It weighed 18 pounds.

Mr. and Mrs. Lester Rilea of 2605 Madison avenue are the proud owners. The cabbage was grown in rich river ground a few feet from the Rileas' home, about 90 miles from here.

Describing it as the largest she has ever grown, Mrs. Rilea said she and her husband also had raised many 12 pounders.

SIU Experts Analyze GC Planning, Zoning

(This is the 10th in a series of articles based on a reorganization study of city government in Granite City by Southern Illinois University.)

Continuing an emphasis on detailed planning for future growth of the city, the SIU governmental experts pointed out in the report that the Plan Commission should be made "more the center and coordinating point for planning activities in the community."

"All plans for public improvements proposed by the city and other jurisdictions in the area should be submitted to the Plan Commission for its review in terms of conformance with the official plan."

"In the long run," the experts point out, "technical planning assistance might best come from a well-staffed planning agency at the county level. It would have the broad tax base of the county to support it, and consequently could develop technical services that neither Granite City or other municipalities in the county could develop for themselves."

34 Zoning Changes
 Turning to the city's zoning ordinance, the SIU experts stress that in the three years since the passage of the zone code in 1958, the Plan Commission and city council have amended it 34 times.

"The city council has reversed the recommendation of the Plan Commission in one instance and in two others has refused to recommend rezoning in four or five instances."

"While 34 zoning changes, many of them changes from residential to commercial uses, seem rather high, we cannot go into the propriety of changes at the point," the university staff said.

"According to the chairman, all zoning changes have been carefully considered and have not been 'spot zoning.' Nevertheless, it would be desirable if the Plan Commission were to have the technical advice available from the planning consultants."

Appeal Board Changes
 Analyzing the board of appeals established by the zoning ordinance, the study includes a recommendation for a complete and complete revision of the records of the board as follows:

"Keep and file complete minutes of all meetings."

"Revise the appeal form to include more information."

"Revise the letter of decision to include the finding of fact and the reasons in each case."

"File all pertinent material for each case together in a separate folder."

"Secure and file with each case a publisher's certificate of publication of the notice."

The experts also recommend that the city provide secretarial assistance to the board and keep the records in the city hall.

Keep Strict Zone Code

"The mayor should resist any efforts to weaken the zoning ordinance which have not been recommended by the Plan Commission after detailed and informal study. The city attorney should attend meetings as requested as possible and should attend all meetings when the case is contested, there are objections, and when the facts are unusual."

"In the operation of the board of appeals, an affirmative vote of four members is required under the statute to reverse an order of the enforcement, officer. The Granite City zoning ordinance requires a majority vote in order to go into force."

The board normally schedules meetings for the second Saturday of each month at 10 a.m. in the conference room adjacent to the mayor's office.

A problem facing the board, which was partially solved by the amendment to the zoning ordinance, is the attendance of members.

Legal Problem May Arise

"It has been necessary at times to secure the opinion and vote of absent members after the meeting. This does not make for satisfactory or even legal operation of the board, especially should a case be appealed to the courts."

"The only solution to this problem is to impress upon members of the board that they have accepted a responsibility in being appointed and should resign if they are unable to assume the duties."

"Since the number of members is set by statute, this cannot be changed. New members should be informed that attendance at meetings is of utmost importance in rendering this service."

Persons desiring to file an appeal are required to complete a form giving the details. A notice must be filed with the chairman within 30 days from the date of an adverse decision by the building inspector, with a fee of \$5 accompanying the appeal. Notice of a hearing must be published not less than 15 nor more than 30 days from the date of the hearing, and the notice must be published and paid for by the applicant.

The board, however, sets the form of the notice, using mimeographed blank. This procedure was adopted in order to keep the cost the applicant must pay the city as low as possible. The

alternative would be to raise the fee to \$15 and have the city responsible for publishing the notice.

Files In Poor Order

"Records of the board for its two years of operation, the report shows, are kept in a folder in a file cabinet in the chairman's office. The files are in poor order and incomplete. In some instances, decisions are not attached to the rest of the record or decisions are not available. Cases are not numbered or docketed."

"There are no formal minutes of the meetings. Pencil minutes for two or three meetings are in the folder but even these are incomplete. Complete minutes should be kept showing the variation requested, the decision, the finding of fact and the vote on each case."

"These shortcomings in records should not be considered a criticism of the chairman but of the fact that the city has provided no secretarial help to the board. Busy men such as these should be kept showing the variation requested, the decision, the finding of fact and the vote on each case."

Sidolot Pressures
 "There has been considerable pressure in the city council for a change in the zoning regulations establishing side lot area."

"Suggestions have been made to revise the ordinance to permit the construction of room additions or garages or porches closer to the side lot line than permitted when the greater proportion of properties existing do not conform to the ordinance."

"Before taking such a step, the council should consider that such a move would establish a trend opposite from that intended by the ordinance."

"The ordinance states as its purpose 'securing a adequate light, pure air and safety from fire and other dangers' among others."

Would Work Against Purpose
 "Reducing the sidolot requirements would work against the purpose of the ordinance which has been established to provide a means of granting a variation where there are conditions of real hardship or virtual confiscation of property."

"Instead of seeking ways to lower the standards, the city council should urge the zoning board of appeals to tighten up its interpretation of what constitutes hardship and apply the requirements of the ordinance and statute more strictly. The small number of applications for variation which have been denied indicates that the board has not been very strict in its application of the rules set forth in the zoning ordinance for granting variations."

"No change should be made in the zoning ordinance until the matter has been thoroughly studied by the Plan Commission and the recommendation of the planning consultants and city attorney have been secured. The main basis of consideration should be whether the proposed change is in harmony with and does not negate the long range aims of the zoning ordinance."

Autos Sideswipe At 19th And Edison Ave.
 Rex Spurrier, 50, of 2229 East 23rd street told Granite City police that he didn't realize he had sideswiped a car driven by Irma Buscemi, 46, of 204 Elm avenue. Police said that the Spurrier auto slightly sideswiped the Buscemi vehicle, damaging the left side of the Buacemi car.

The accident happened Monday on 19th street at the Edison avenue intersection. Both cars were headed west on 19th.

 Sure, wouldn't you be? State Farm has added new benefits for its car-cash-driving Illinois policyholders. State Farm policyholders are enthused because these new benefits are in effect right now. They're only mildly surprised, however... State Farm has added new benefits before without increasing rates. But, they're really excited, and you will be, too, about the benefits added to State Farm's coverage. Two new Safeguards against Cancellation and Surcharge give written protection against cancellation due to accidents plus the assurance that State Farm's low rates will stay low (no surcharges as a penalty for accidents or traffic violations). And, there are five more additional benefits. Call me today or stop in for more information.

Enthusiast? Surprised? Excited?
 Sure, wouldn't you be? State Farm has added new benefits for its car-cash-driving Illinois policyholders. State Farm policyholders are enthused because these new benefits are in effect right now. They're only mildly surprised, however... State Farm has added new benefits before without increasing rates. But, they're really excited, and you will be, too, about the benefits added to State Farm's coverage. Two new Safeguards against Cancellation and Surcharge give written protection against cancellation due to accidents plus the assurance that State Farm's low rates will stay low (no surcharges as a penalty for accidents or traffic violations). Natural Gas Heating Permits Still Available in This Area For Residential Customers

As the result of the development of our underground storage fields at Freeburg and Tilden, Illinois, plus additional capacity made available by the pipeline company supplying this area, Illinois Power Company has been able to issue several thousand permits for natural gas heating this year.

Tests at these two underground storage fields indicate that we still have some additional gas available for next winter and we will continue to issue heating permits on a first-come, first-served basis as long as the additional capacity lasts.

No customer will be served with natural gas for heating without a heating permit issued by Illinois Power Company. Customers who install natural gas equipment for full time heating of their premises without such a permit will be completely discontinued as a customer for any type of gas service, including cooking and water heating, until they have installed equipment using another fuel for heating.

If you want gas heating for next winter, now is the time to get your gas heating permit at Illinois Power Company.

Boy Cuts Arm Playing Baseball, 37 Stitches

A small Madison boy was given emergency treatment Monday evening at St. Elizabeth Hospital after his right forearm was slashed when he ran it through a window glass.

James Wood, 11, son of Mr. and Mrs. Lonnie Wood, 355 Keynolds street, needed 37 stitches to close the cut on his forearm. The boy, who will enter the sixth grade at Louis Baer school this fall, and friends were using

Also treated Monday was Curtis Lalrot, eight, Collinsville, who suffered an abrasion to the top of his head while playing in his yard.

92 Girl Scouts To Attend 2nd Session At Lakota

Cooking their noon meals over an open fire will be only one of the daily activities of the second group of girls to go Monday to Camp Lakota, the Tri-City Girl Scout Council's summer day camp in the bluffs near Glen Carbon.

The 92 girls and 24 counselors who will spend five days there also will practice handicraft, nature study, hiking, games and other activities. They will return here by bus each afternoon and return the next morning.

Staffed by volunteers with previous camp training, the day camp is for girls 7 through 17 years of age. This past week 108 have been attending the camp from Neighborhoods Four and Five. The new group will be from One, Two and Three.

Camp Director for the second week is Dorothy Hinson, with Mrs. Doris Jolly as arts and crafts counselor. Other counselors are Mrs. June Tindall, Mrs. Zoe Christakas, Mrs. Laura Travis, Mrs. Norma Walton, Mrs. Helen Meredith, Mrs. Betty Proffitt, Mrs. Ruth Baker, Mrs. Doris Stutz, Mrs. Alice Jefferies, Mrs. Violet Harris, Mrs. Mary Massman and Mrs. Helen Santagato.

Second week junior counselors are Misses Judy Walton, Sheila Obranovich, Margaret Anne Juhasz, Linda Evans, Josephine Brown, Juanita Watt, Norma Rivenburgh, Sharon McIlvay, Barbara Pech, Anna Jefferson, Donna Barnes and Mary Lynn Jesse.

Scouts attending from Neighborhood One will be Sharon Obranovich, Mary Podnar, Debbie and Donna Spohr, Janice Piechocinski, Glendine Meli, Paula

Playground Group To Stage Skit On 'Flapper Era'

The flapper era will be depicted in a skit now being rehearsed by the youngsters taking part in the Granite City park district's summer recreation program at the McKinley school playground.

A group of girls, mostly under 12, are spending their afternoons staging a chorus line with kicks, twists, flailing arms and vocalizing to the old flapper favorite, "Has Anybody Seen My Gal."

Miss Linda Farrow, playground instructor, says the routine is still a little rough, but enthusiasm is high and it was just the first rehearsal in preparation for a presentation for parents at a future date.

The instructor decided on the project upon recalling a similar activity at high school in which she had a role.

To Wear Flapper Dresses
The girls will make flapper-style dresses at a future handicraft session, and present their

Opera Trips Planned By GC Park District

The Granite City park district recreation department will sponsor two trips to separate Municipal Opera productions for interested residents of the park district this summer. Park Director of Recreation Harold R. Brown said today.

The first "Municipal Opera special" is scheduled for Thursday, July 20, when participants in the plan will see a production of "Desire Under the Elms."

Brown said the cost per individual will be \$3, including transportation to and from the opera by bus and seat accommodations at the Muni.

Fifty tickets for the first trip are available, and reservations may be made with the park secretary at 2314 Niedringhaus avenue. A bus will leave Wilson Park for the opera at 7 p.m. the evening of the performance.

The park district is also planning a similar bus trip to the Muni's August production of "Flower Drum Song."

Traffic Signal Change

Arrested by Granite City police Monday on a charge running a red light at 23rd street and Madison avenue was Harold R. Rochester, 18, of 2628 Madison avenue. He left his driver's license as bail.

TINY CHORUS LINE goes through its paces at an early rehearsal of the McKinley school playground. The girls, most of them under 12, hope to add professional polish and flapper costumes to their act for a parent's program early next month. The activity is part of the Granite City park district's summer recreation program.

Attending Father

Mrs. Ralph Z. Miller Jr. and daughters Nikki and Patti, 2448 Delmar avenue, are in Herin, Ill., where they were called by the serious illness of Mrs. Miller's father, Vernon Vancil, who is undergoing treatment in the Herin hospital for pneumonia.

Mr. Vancil was hospitalized in June due to an accident on his farm when he was run over by a tractor, suffering a broken hip and pelvis, a mangled arm and numerous lacerations. He had recovered sufficiently to be moved to his home when pneumonia developed.

Wheat Stubble Fire

Wheat stubble between St. Clair avenue and Maryville road caught fire Monday afternoon and Nemo's road station firemen were called to the scene to extinguish the bare. Firemen said there was no loss.

Charles Young Wins Toastmaster Award

"Why We Punish Criminals" was the topic of Charles Young as he received the toastmaster-of-the-week award at Monday's meeting of the Granite City Toastmaster Club, held at the home of Charles Withers, 2401 Gary avenue.

Eleven members attended the weekly session, with Withers serving as toastmaster and Marvin Dean as general evaluator.

Earl Lee was named best critic. The other speaker was Dr. Leo Coleman, who discussed "The Problem of Medical Care for the Aged."

Divorce Granted

Cruelty was grounds for a divorce awarded to Shirley Meyers, of Granite City, recently in the circuit court at Edwardsville from Billy Rex Meyers, who now lives in Wood River. Care and custody of two minor children was awarded the plaintiff, and the defendant agreed to pay \$20 a week toward their support. The couple married April 5, 1958, and separated last April 27.

State Board Delays Ruling On Area Tavern

The Illinois Liquor Commission in Springfield Monday heard testimony from both sides in a case involving the county's revocation order of the liquor license issued to George Nelson of Granite City. The board took the case under advisement and will rule on it for fiscal year 20 to 30 days according to Austin Lewis, attorney for Nelson.

Nelson owns George's Place on state route 111 near Horseshoe Lake. His license was revoked following a hearing June 8 before Madison County Liquor Commissioner Gus Haller. The revocation was handed down by Haller after a special investigator for the state's attorney's office testified he had been solicited by a "waitress" while making an investigation of the establishment.

Driver In Accident Faces Traffic Charge

Marvin Douglas, 21, of 1006 Iowa street, Madison, was arrested Monday by Granite City police on a charge of following too closely to another vehicle driven by Lyle A. Barr, 64, of 2413 Edwards street.

Both cars were headed north on Madison avenue when the Douglas auto ran into the rear of Barr's car in the 2000 block, police reported.

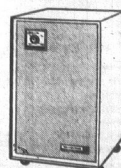

Your basement is as humid as a tropic jungle!

prevent rust, rot, mold and mildew—get an electric dehumidifier

In the tropic jungles, noon-time humidity averages about 71% during the summer. And in your basement... where you store tools, appliances, furniture and sports equipment... the humidity often gets even higher. Rust, rot, mold and mildew can cost you plenty.

Take advantage of our free trial offer and see for yourself how an electric dehumidifier can pay for itself in a very short time. It protects your valuables because it removes gallons of water daily from your basement air on hot humid days. The automatic humidistat saves electricity and keeps humidity down.

Call our office for a 5-day home trial on an automatic Westinghouse dehumidifier.

ELECTION, LESSON ON FLOWERS FOR TRIO UNIT

The regular monthly meeting of the Trio Unit of the Madison County Home Bureau was held Monday afternoon at the home of Mrs. Clara Schilling on the 26th day of June, 1961, for the purpose of an election of officers for the year 1961-62. Mrs. Schilling, who presided, reported that the unit will work in the kitchen room on 6 p.m. July 27 at the annual Madison County Fair in Highland.

An election of a vice-chairman and treasurer to serve for the next two years was held with Mrs. June Lux named vice-chairman and Mrs. Caroline Moser as treasurer. The annual unit picnic will be held Aug. 10 at the home of Mrs. Moser on Rural Route One for members and their families. "The day's major lesson on 'Flower Arrangements' was given by Mrs. Ruth Bragg, and Mrs. Rapp gave the health lesson on 'Accidental Poisoning of Children.' Demonstration on 'Basic Sewing' was given by Almeta Lahr of the Merry Michelets 4-H Group, and Cathy Bragg demonstrated the correct procedure of making rolls for the 4-H leaders.

Pictures of flowers were passed to the members and guests to identify with Mrs. Schaefer and Mrs. Ethel Lerch winning prizes. Mrs. Ruth Bragg was in charge of making rolls for the 4-H leaders. Guests attending were Mrs. Sara Rivenburgh, Miss Barbara Lerch, Miss Gail Hamilton, Almeta Lahr, Miss Mary Greig, Mrs. Dorothy Hamilton, Mrs. Dorothy Rivenburgh, Mrs. Lerch, Kathy Bragg and Miss Mary Dezan. Members were Mrs. Wm. Bragg, Mrs. Charles Guth, Mrs. Ida Kraus, Mrs. Mary Marwan, Mrs. Fred Segar, Mrs. Stanley Baugert, Mrs. Arthur Roman, Mrs. Roland Weiss and Mrs. Eugene Short.

Mrs. Ernest Brown returned to her home, 2546 Hemlock street, North Omaha, Neb., Sunday afternoon. Mrs. Brown visited three weeks with her daughter, Mrs. Sharon, who was recovering from major surgery.

CALIFORNIA'S VISIT AUNT
Armer Clugston of the United States Navy and his sister, Mrs. Robert F. Wayland and her children, Mark, Susan, Wendy, Lloyd and Carleen of LaMirada, Calif., arrived in the city last Friday and spent the weekend with Mrs.

Janet Polley, 4124 North drive, and other relatives. This was the first time in 27 years Mrs. Wayland had been in Granite City and the brief stop was made while she and her brother were enroute to South Bristol, Me., to visit their father, Carl Clugston, Clugston formerly was assistant to the late Rev. John Henry Sanders during his pastorate at the First Presbyterian Church.

They were entertained by the Charles Polleys on Nassau drive and a family reunion was held Sunday at the home of Richard Polley, 2031 Pontoon road.
